I don't have 12" tree or boxes or things like that. My family just brings me carrots and an orange.) The first candle is being lit tonight. _____ Three wise men travelled far, far away They could not go where they needed to go... because they stopped at a bar for a cold one and had a few too many. You get four candles and four crowns with you. The first candle will be lit 4 weeks before christmas, the second three weeks before and so on. During those weeks you look in a glass bowl with different texts around the candles. The first text is "Like a candle in the dark, I am a Light to those who sit in darkness, hoping for a spark that is given during the Advent. In the bowl you will find the words you've been waiting for! You're not alone. Many people await the birth of their expected child. I'm with you. Don't be surprised if you feel better during these weeks as a gift from the God in your life. At the moment you want to light the first candle, you will light up your crown and wait for 4 different texts. The fist text will tell you about a sentence you've heard before... Pray not only for your own life, but for many others in need. When you've received a message you will get a signal from your space. There you will have a new text. Then you will leave the Advent space and light up the second candle. Pray for the life of your unborn child. When the candle is ignited, you'll have a new message. Pray for your partner, the life of your partner and the life of your friends. When the second candle has burned out, leave the room and light up the third candle. Pray for the life of your family. When the third candle has burned out, leave the room and light up the fourth candle. Pray for your good health and the life of your pets. When the last candle is ignited, you'll have a message from your own life. After you have received the last message, you'll return to the room with the Advent table. The table will have an Advent activity for you to do. You have to do it three times in a row. After that, you'll receive a gift. The gift is a beautiful Advent scroll with the name of your coming child (the name of the child you have seen the first candle of the Advent). Use the Advent ring and fill it with 4 candles, 4 crowns and 4 Advent texts. Some times we are, that we would like to make peace within ourselves, because we're disappointed about something.
